bioC supplier list

This is the value of the bioC supplier list:

- ★ **Information advantage:** You are informed about certification status of your suppliers and relevant products at any time.
- ★ **Save time during day-to-day operations:** Responsible colleagues need not keep asking for current certificates of suppliers that are listed on the supplier list.
- ★ **Save time and costs in the yearly inspection:** You can present the cumulative bioC confirmation to the inspector for the annual inspection. It contains all relevant certification information of your suppliers.
- ★ 2 euro/company per year (List up to 5 suppliers are for free)

This are the costs for the bioC supplier list:
